FROM 1901 TO NUMBER ONE

What began over a century ago as a simple furniture polish laboratory in the garage of founder Frank Meguiar Jr., has spanned four generations of the Meguiar family. In his wildest dreams, it's doubtful that Frank Meguiar, Jr., could have foreseen what his first bottle of furniture polish in 1901 would evolve into over the next 100+ years.

Meguiar's®, Inc. has become the global leader in appearance care and is proud to offer our next generation of products, tools and accessories to serious car enthusiasts. We strive to set an entirely new standard for quality and performance in the industry.

From his first bottle of furniture polish, Frank Meguiar, Jr. built his business on excellent products and an understanding of his consumer's needs. Today, Meguiar's enduring and strong relationship with serious car enthusiasts worldwide has created a level of trust and respect for the brand that transcends our products and embodies the lifestyle of the car hobby. To this day, Meguiar's is committed to delivering products and building relationships that excite and unite car enthusiasts and professionals worldwide.

The Meguiar's® Professional Product Index by Workflow™

The Meguiar's® Professional Product Index by Workflow™ is designed with paint restoration specialists in mind. Instead of a numerical order, our products are organized into groups according to the way you detail a car. Begin with the engine compartment, and work your way through your entire process, in order, to select the products you need. Most product fill contents are indicated by the last two digits of the part number. For free, professional car care advice, go to Meguiars.com or call 800 347-5700 Mon-Sat, 7:00 am to 3:00pm Pacific Time.
