

# CLEAR BLUE

Windshield Washer Fluid Concentrate

A windshield washer fluid concentrate capable of removing road grime, bugs, and sap. The fast evaporating formula leaves a streak free shine so that you have a clear view of the road ahead.

## HIGH DILUTION RATIO

- ◆ A ratio of 50:1 means more economical RTU cost.

## BIODEGRADABLE

- ◆ Environmentally Friendly

## VERSATILE

- ◆ Works with hard or soft water

## FAST EVAPORATING

- ◆ Formulated to evaporate quickly to leave a streak free shine

## CLEANING POWER

- ◆ Specially formulated with surfactants to remove road grime, bugs, and sap
- ◆ Ammonia Free Formulation means safe on tinted windows!
