EQUIPPED

# TERMINATOR I

The **Terminator I** designed for the tough, big jobs. Five gallons per minute at 3,000-psi is delivered by a General model 1511 pump with a BIG secret weapon!

The **Terminator I** has a **clutch** on the pump pulley that allows the pump to completely stop immediately after the trigger is released. This means that there is no heat buildup. Heat is the root cause of most pump failures. Other pressure washers recirculate the bypass water through the pump again and again. Each time through the pump the water temperatures increase dramatically until they reach the critical temperature of 145°F in less than a minute.

Since the pump is not turning the engine is under no load. Engine/Pump life and endurance are increased!

**Clutch Control** along with lots of Stainless Steel, the best fuel filtration, a rugged 1-¼" square tubing frame, and industrial components make the **Terminator I** inexpensive to own and a pleasure to use.

*The Terminator I ..... is high on quality*

*The Terminator I ..... is equipped with a pump clutch*

*The Terminator I ..... is equipped with a 16-gallon diesel tank*

### Specifications:

- + 5-gpm @ 3000-psi
- + 20-hp Honda ES engine
- + Over-sized General pump
- + Belt-driven
- + **Clutch pump control**
- + SS lid & heat shield
- + SS skirts
- + Large 16-gallon diesel tank
- + 50' hi-pressure hose
- + SS Variable pressure wand & trigger gun
- + 7-gallon gasoline tank
- + 12-volt burner
- + Racor fuel/water filter
- + Engine oil drain valve & hose
- + 465,000 BTU/h
- + 43"L x 34"W x 43"H
- + 850 lbs

# WET<sup>®</sup>

WASHING EQUIPMENT OF TEXAS

WET offers a wide variety of industrial cleaning compounds:

- ✚ Degreasers
- ✚ Vehicle wash
- ✚ Floor cleaning detergents
- ✚ Automatic parts washer detergents
- ✚ Aluminum brighteners
- ✚ Defoamers
- ✚ Detergents especially formulated for wash water recycling systems

WET offers preventive maintenance programs for high volume detergent customers saving delivery fees, reduced labor charges, and even parts discounts in return for their business

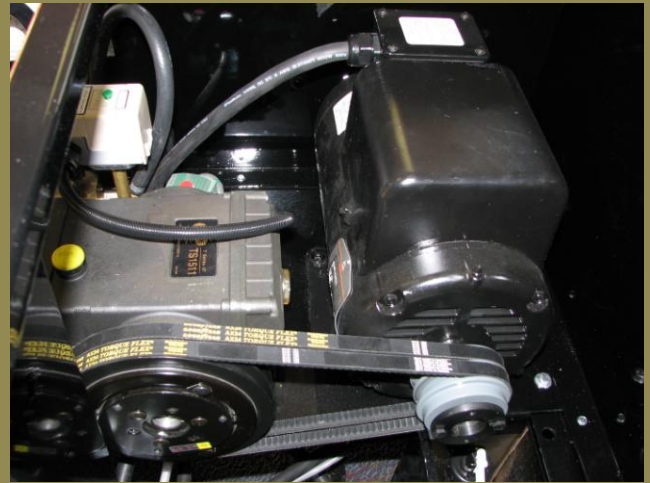

WET offers detergents in bulk volume where we provide the 300-gallon storage tank:

- ✚ No (55) gallon drums
- ✚ Bulk volume pricing
- ✚ Industrial strength concentrates

WET supplies their customers using the bulk detergent program with a free loaner pressure washer when their machine is down.

We value our customers, and we hope it shows!

*You can't get clean if  
you don't get **WET!***
