

TECH DATA

**Chemical Name:**

Pit Boss

SKU:

4482

Classification:

Commercial Deodorizer

Product Description and Purpose:

Pit Boss is formulated with patented technology that provides immediate metabolic activity (waste degradation) and is environmentally safe. Our microbes work by combining the oxygen in the air with odor molecules causing the odor to disappear in minutes or seconds without just covering it up. Our microbes are enclosed in a sheath to protect them from chlorine, sanitizer and heat, which easily kills unbound microbes. This gives Pit Boss a distinct advantage when used in car wash pit maintenance. In addition, Pit Boss has stabilized live vegetative microbes in a liquid form. The result is a solution that quickly degrades petroleum hydrocarbons, vegetable and animal fats, oils, greases, waste solids and other organic compounds with an easy to apply and versatile treatment.

Features and Benefits:

Safe
Environmentally friendly
Easy to use
Versatile

Surfaces Applicable:

Car wash pits

General Usage Directions:

Add 1 gallon of Pit Boss to the car wash pits weekly or as needed

Caution:

Keep out of reach of children. Keep container tightly closed when not in use. Protect from freezing. For industrial use only. Read Material Safety Data Sheets for more information.

Physical Properties:

Form: Liquid
Color: Transparent blue green
Odor: n/a
Foam: n/a
pH: 6.5-7.5
Specific Gravity: 1.02-1.04

Titration Procedure:

N/A

Package Sizes & Product Numbers:

4x1 gallon case 4482-B4
2x2.5 gallon case 4482-C5
5 gallon pail 4482-B5
5 gallon pail 4482-B5
15 gallon drum 4482-D15
30 gallon drum 4482-D30
55 gallon drum 4482-D55

Additional Information:

N/A

Authorization/Discussion:

N/A
